To Parents of Campers:

The Cutter Farm Camp Staff is pleased to welcome your child to “The Day in The Life of a Horse” 2014 Summer Camp. In order to ensure the safety and comfort of your child, we would like to bring a few things to your attention. Camp begins at 8:15 AM and ends at 12:30. Please be on time. Drop off and pick-up time may be altered for your convenience with prior notice; please call.

Each day a snack will be provided for break (pizza will be served for lunch on Friday). Camper’s are encouraged to bring drinks to keep in the refrigerator.

You have enclosed an emergency/field trip release form. In case of bad weather, field trips will be planned.

Proper attire is required:

- Close fitting pants or riding breeches.
- Hard soled shoes with small heel (no greater than one inch) or English riding boots.
- Shorts or change of clothing for non-mounted time.
- Riding helmet (All riders will be required to wear a well fitted riding helmet when mounted.) The Cutter Farm has helmets available to campers.
- Tie hair back neatly.

We will make every effort to assure a safe and fun camp experience for your child.
Thank you.

Sincerely,

Marina K. Burliss and Staff
The Cutter Farm, Inc.
